Inspire Entrepreneurs Network is a vibrant and dynamic community dedicated to empowering and uplifting men who are passionate about entrepreneurship, innovation, and business leadership. Just as Inspire Church nourishes the spirit, we strive to cultivate the entrepreneurial spirit within our men by sharing their success stories, exchanging valuable business insights, and exploring innovative strategies. Our goal is to see each member thrive, both personally and professionally.

We gather on the 3rd Saturday morning of each month to create a space for connection, collaboration, and growth. Our meetings take place in the inviting lobby of the Redemption Square Marriott, located at 250 Assay Street, Houston, TX 77044.
